according to section 16 of Act No. 22/1997 Coll., on technical requirements for products, as amended

CERTIFICATE OF ACCREDITATION

No. 436 / 2016

Český metrologický institut
with registered office Okružní 31, 638 00 Brno, Company Registration No. 00177016

to the Certification Body No. 3112
Certification Body for the Certification of Meters

Scope of accreditation:

Conformity assessment of meters to the extent as specified in the appendix to this Certificate.

This Certificate of Accreditation is a proof of Accreditation issued on the basis of assessment of fulfillment of the accreditation criteria in accordance with

ČSN EN ISO/IEC 17065:2013

In its activities performed within the scope and for the period of validity of this Certificate, the Body is entitled to refer to this Certificate, provided that the accreditation is not suspended and the Body meets the specified accreditation requirements in accordance with the relevant regulations applicable to the activity of an accredited Conformity Assessment Body.

This Certificate of Accreditation replaces, to the full extent, Certificate No.: 781/2015 of 16 November 2015, or any administrative acts building upon it.

This Certificate is valid until: **19 July 2021**

Prague: 19 July 2016

^x within the scope of accreditation, the certification body is allowed to include new/updated/revised technical specifications listed in the relevant conformity assessment procedure for the assessment of conformity with safety requirements. The precondition is that the product area, regulations and conformity assessment procedure must not change. Updated list of activities provided within the scope of accreditation is available at the Certification Body (www.cmi.cz).
